PROFILE

During my three-year degree, I honed my abilities in creating compelling characters, game assets, and videos. I have worked on various projects and am committed to continuous learning in digital design. I aim to push the boundaries of digital design and storytelling, and focus on continuous growth in my industry.

opment Group VSI

CLIENT PROJECTS

CEDI

**VIRTUAL WINCHESTER – JANE AUSTEN PERIOD & MEDIEVAL
PERIOD** | 11 weeks

Aimed to create an immersive digital experience of Winchester. Created a de-
tailed 3D model of Winchester Castle, using research and insights from the
Great Hall.

RA RA GAMES

TOMEBOUND PROJECT | 2023 - 2024

Developed 3D assets in an Aztec art style and designed a Wizard character's
costume with a focus on concept design, sculpting, texture baking, and painting.

PRIVATE CLIENT

ONE-STORY HOUSE VISUALISATION | July 2023

Collaborated with a client to design and visualise the open-plan living space
and hall for their 91 sqm new-build home, creating a functional and stylish
interior.

PERSONAL PROJECTS

ATA'AMPUURUM SCHOOL RENOVATION INITIATIVE

March 2024

Initiated a social media campaign to raise awareness about the dilapidated
Ata'ampuurum School in Sumbrungu, Ghana. Developed a 3D model illustrat-
ing a possible renovation using reused materials as a future solution.

RESIDENTIAL VISUALISATION PROJECT

Winter 2020-2021

Developed 3D visualisations for a private residence, showcasing the interior and
exterior design, including landscaping, using CAD plans and reference materials.

EXPERIENCE

Hospitality Experience

Gained skills in teamwork, dedication, self-management, safety, communica-
tion, presentation, process, and purpose.

THE WATERMANS ARMS - LONDON, UK | Chef
